WELCOME TO MI INTERNATIONAL

»»» ABOUT MI INTERNATIONAL

MI International is an initiative by MI International, focusing on providing food services. With immense experience in the food industry, MI International are a leading exporter of all kinds of Indian spices, pulses, grains, Fruits, Vegetables, and many more, to a number of destinations around the globe. With several partnerships with buyers across multiple countries, we have grown to be among the go-to companies for food export from India.

GLOBAL FOOD IMPORTERS & EXPORTERS

“As the ‘land of spices’, India exports tons of various kinds of food. In fact, food export from India is a major source of revenue. we ensure our services conform to international quality standards.”

»»» OUR VISION

Our vision is one, focus is to reach every person. We want there will be no person who can sleep without food. Our product will be available to every door with cheapest price and pure quality.

OUR FOCUS ON AGRICULTURE & FARMING

Sustainable Practices

We prioritize sustainable agricultural practices to preserve the environment and ensure longterm viability.

Innovative Farming Techniques

We embrace cutting-edge techniques to optimize crop yield and enhance the quality of our produce.

Community Engagement

We actively engage with local communities to promote agricultural education and foster economic growth.

Research and Development

Our focus on R&D drives continuous improvement and innovation in agricultural production methods.

ORGANIC FARMING, SPICES AND VEGETABLE PRODUCTION

- Organic farming & Spices : Swobongo focuses on the careful cultivation of various organic grains, such as wheat, rice, and barley, ensuring high-quality yields through sustainable farming practices.
- Vegetable farming: Our dedication to organic vegetable farming results in a diverse range of produce, including tomatoes, cucumbers, carrots, and peppers, meeting the highest quality standards for our customers.
- Sustainability: We prioritize environmentally conscious techniques, integrating crop rotation and natural fertilizers to maintain soil fertility for long-term grain and vegetable productivity

QUALITY CONTROL AND ASSURANCE

A) Product Inspection

- Our team conducts thorough inspections to ensure that all agricultural products meet our high-quality standards.
- We use advanced technology to detect any abnormalities, maintaining the integrity of our products.

B) Quality Management Systems

- We implement rigorous quality management systems to track and monitor the entire production process.
- This ensures that our agricultural products consistently meet safety and regulatory requirements.

C) Sustainable Practices

- Our commitment to sustainability extends to our quality control measures, ensuring responsible and ecofriendly production
- We prioritize environmentally sound practices to deliver the highest quality organic products.

DISTRIBUTION AND SUPPLY CHAIN

A) Efficient Logistics

- We focus on optimizing our transportation routes and delivery schedules to ensure timely distribution.

B) Collaborative Partnerships

- We work closely with trusted logistics partners to maintain a seamless and reliable supply chain.

C) Cold Storage Solutions

- Our facilities are equipped with state-of-the-art cold storage to preserve the quality and freshness of our products during transit.

D) Customized Packaging

- We offer tailored packaging solutions to meet the specific requirements of our customers and retail partners

OUR PARTNERSHIPS AND COLLABORATIONS

A) Strategic Alliances

- We forge strategic alliances with leading agricultural organizations to drive innovation and knowledge sharing.

B) Collaborative Initiatives

- Collaborating with local farmers and suppliers to promote sustainable agricultural practices and community development.

C) International Partnerships

- Establishing international partnerships to exchange best practices and expand market reach for organic agriculture.

Our Vision

OUR VISSION

Our vision is one, focus is to reach every person. we want there will be no person who can sleep without food. our product will be available to every door with cheapest price and pure quality.
